Project Title	Improving accessibility to village gardens
Project Description Max 100 words	To improve access to the site, making it more inclusive for all residents and partners. We've started to create relationships with other local groups, e.g. Growing Newsome, but want to expand on that. We need support to get equipment to enable us to work with Castle Hill Special School, with Active Social Care; and with all children and adults of all abilities. To enhance the gardens in the heart of Newsome Village, boosting the sense of pride, and the feeling of safety, making it a place where people can come together and enjoy their local environment.
